

Call for Papers

GenderTime International Conference

September 29-30, 2016

[UPMC - Campus des Cordeliers, Paris, France](#)

GENERAL INFORMATION

The GenderTime Consortium is delighted to issue the **Call for Papers** for the **GenderTime International Conference**, to be held September 29-30, 2016 in Paris, France. The Conference will take place at [UPMC - Campus des Cordeliers, Paris, France](#). The goal of the Conference is to provide a platform for researchers working towards the promotion of the participation and advancement of women in higher education and research institutions. This is an opportunity to hear the results of GenderTime and other similar projects and to network with numerous prominent scientists in the field.

[Topics of interest](#) include, but are not limited to:

- Designing Gender Equality Plans (GEPs)
- Describing, measuring, evaluating GEPs
- Knowledge transfer and networks around GEPs
- Missing data, missing theories, missing explanations, missing connections about GEPs

For more info, please check <http://www.gendertime.org/Topics>

May 15, 2016	Full paper submission
July 15, 2016	Final decision by the Scientific Committee, 1st Draft of the Conference Programme
August 30, 2016	Camera ready

CONFERENCE VENUE

The **GenderTime Conference** will take place at the Bilski-Pasquier Amphitheater, Cordeliers Campus, [UPMC - Campus des Cordeliers](#), 21, Rue de l'École de Médecine, 75006 Paris.

"Coordination and support action funded by the European Commission in the 7th Framework Programme: "Science in Society"

Call for Papers

GUIDELINES FOR AUTHORS

Organizers welcome the submission of original research and application papers dealing with all aspects of gender dimension in education, science and research. Participants who wish to give a presentation (oral or poster) must submit an abstract first (500 words). Abstracts are invited on the [topics](#) outlined in the conference themes and others falling within the scope of the conference.

Please, [register for the ScienceConf](#) portal in order to submit an Abstract. Questions may be directed to **GenderTime Conference 2016 Abstract** (admin@mail.gendertime.org).

Accepted abstracts will be invited to submit complete papers that will be included in the conference proceedings if accepted.

Contribution Types

- * Papers: Full papers (8-10 pages)
- * Papers: Short papers / posters (4-6 pages)

SCIENTIFIC COMMITTEE

- Sarah Barnard (Loughborough University, UK)
- Angela Genova (Carlo Bo Urbino University, Italy)
- Anne-Sophie Godfroy (Université Paris-Est Créteil, France)
- Colette Guillopé (Université Paris-Est Créteil, France)
- Claudine Hermann (EPWS, France)
- Marina Hughson Blagojevic (ICSR, Serbia)
- Liisa Husu (Hanken School of Economics, Finland & Orebro University, Sweden)
- Nicky Lefevre (Université de Lausanne, Switzerland)
- Anke Lipinsky (GESIS, Germany)
- Anna Rita Manca (EIGE, Lithuania)
- Danièle Meulders (Université Libre de Bruxelles, Belgium)
- Ana Puy (Women & Science Unit, MINECO, Spain)
- Brigitte Ratzer (TU Vienna, Austria)
- Sarah de Rijke (University of Leiden, The Netherlands)
- Felizitas Sagebiel (Wuppertal University, Germany)
- Dalia Satkovskiene (Vilnius University, Lithuania)
- Marieke van den Brink (Radboud University, The Netherlands)

ORGANIZATION COMMITTEE

- Anne-Sophie Godfroy (Institute Mihajlo Pupin, France)
- Bodo Clavreul (Université Paris-Est Créteil, France)
- Colette Guillopé (Université Paris-Est Créteil, France)
- Valentina Janev (Institute Mihajlo Pupin, Serbia)
- Sanja Vraneš (Institute Mihajlo Pupin, Serbia)
- Yvonne Pourrat (ECEPIE, France)
- André Béraud (ECEPIE, France)

REGISTRATION

Registration will open in May 2016! Registration fees (around 150 €, covering the lunches of 29th and 30th and dinner of 29th) will be announced soon! Reduced fees for early stage researchers will be available!
